The name alone says it all! This is America's last frontier. It is a land of beauty, a place of magnificence, and we are going there... **Alaska!!!**

Our two groups will participate in mission work and building projects primarily in Palmer, AK, a beautiful town buried in a valley of Alaskan mountains! We will experience the culture of the Alaskan Natives! We will also have the opportunity to see the rugged beauty of the last frontier, visit glaciers, hike some incredible mountains, see wildlife that you would have never imagined seeing outside of a zoo... and much, much more! God will speak wonders to us on this adventure!

Sign up ASAP. We only have a limited number of spots and many are already filled!
