During the summer of 2009 the youth from our church, joined by 36,000 youth from around the world, will meet up in New Orleans for the National Youth Gathering.

This youth gathering will be like none other. With live bands, national speakers and engaging discussions, the youth will also participate in service projects throughout the New Orleans area! CAN YOU IMAGINE - 36K youth helping to rebuild historical New Orleans!

After Hurricane Katrina hit, experts and specialists predicted that it would take 8+ years to rebuild the southern coast. Join our church and the church at large in this huge undertaking to help speed up the rebuilding process.

Along with our service work, we will experience the full culture of New Orleans and all that it has to offer! It is a culture like none other in the United States!

Sign up ASAP. We only have a limited number of spots and this is the only Sr. High trip for the summer!

P.s. We will also make a stop on the way down at Six Flags Amusement Park in St. Louis, Missouri!!!
